## Introducing The Parks / Inner City CAN

Following the President's April 9<sup>th</sup> announcement extending the COVID-19 lock down until the end of April, there is a growing concern that the impact on our economy could lead to millions of South Africans facing starvation. This has prompted organisations across the country to focus their efforts on supporting those most in need, starting with their neighbours.

Under the auspices of GAUTENG TOGETHER, Afrika Awake and The Ingelosi Foundation are proud to announce the launch of **The Parks (and Saxonwold) / Inner City CAN (Community Action Network)** which will mobilise our local community to supply much needed supplies to the Johannesburg Inner City community.

We need assistance in the following areas:-

- If you would like to join The Parks (and Saxonwold) / Inner City CAN committee please complete email [admin@ingelosihouse.co.za](mailto:admin@ingelosihouse.co.za)
- If you would like to donate funds to support Inner City families please go to our Quicket link <https://qkt.io/CHmHmk>
- Once lockdown is over, the need will not simply evaporate and so we encourage you to please open your cupboards and donate any old clothing and useful goods as well as non-perishable food items. These can be donated at our drop-off centre at Meter Mate, 133 Jan Smuts Avenue, Parkwood as soon as lockdown is over.

These are difficult times for us all and any support you can offer will be appreciated. If you'd like more information, please contact Jean at the Ingelosi Foundation on [admin@ingelosihouse.co.za](mailto:admin@ingelosihouse.co.za)
